

Wine Bingo

How to Play:

Print out the Bingo cards below.

Give each one of your guests a Bingo Card along with a pen or marker.

As the evening happens, each person should mark off the words they hear in discussion.

You can allow your guests to call a line (normally horizontal) or only a full house.

Once anyone has a line marked off they can call 'line' and receive a small prize.

Once anyone has a full house marked off they can call 'Bingo' and receive a prize.

Objective:

The aim of Bingo is to cross off all words in the grid first.

Rules:

Trust is key here and no cheating. Your guests must hear the word in discussion before crossing it off on their grid.
